Local C.G.I.T. Entertain Mothers

The C.G.I.T. entertained their mothers at a social evening in Knox United Church last Wednesday evening, May 12. The church was packed for the occasion and Jean Rennie led the sing song.

Following was the program:

Quintet—Jean Rennie, Margaret Robertson, Joyce Buhr, Opal Swalm and Alice Gmther.

Piano Solo—Jean Krueger.

Recitation—Vivian Roudou.

Solo—Loretta Reifenstein, with piano accompaniment by Geraldine Ford.

Skit, "No Trains Today," by the Junior Group under direction of Miss Brownell.

Solo—Joyce Buhr.

Quartet—Marlene LeGrand, Geraldine Ford, Jean Krueger and Gwen Clarke.

Recitation—Florence Gibson.

Stacy—Miss E. Wilson.

Address—Mrs. Red Clarke.

Mrs. Eva Leavens won the prize contest.

Lunch was served and the evening was brought to a close with "Taps."

FALLEN TIMBER NEWS

The regular meeting of the Fallen Timber Busy Bees was held at the home of Mrs. Johnson. There were ten members present. Owing to the absence of the president, the vice-president, Mrs. Monney, presided.

The meeting was opened with a short prayer, followed by the singing of "Tipperary." During the business meeting it was decided to discontinue the C.A.R.E. parcels owing to a lack of funds. It was also decided to have a home cooking sale at the bazaar being held in June.

Mrs. Whittle was the winner of the ten cent draw.

After the business was concluded Mrs. Whittle and Mrs. Monney served a delicious lunch.

Owing to the very poor condition of the roads few people have been able to get about. It is hoped that something will be done about them in the near future.

The next meeting of the Council will be held on Monday, June 7.

The oldest daughter, Barbara, is attending the local school.

Mr. George Tenor was a Calgary visitor on Monday.

Mrs. Wamnamaker visited Mrs. J. Houston and Mrs. J. McGiffin on Friday.

ELIAS A. BRUBACKER DIES AT HIGH RIVER

Elias Ales Brubacker, a resident of Didsbury for 52 years before moving to High River last year, died in the High River hospital on Wednesday, May 12, at the age of 83 years.

Mr. Brubacker was born in Bessan, Ontario, and came west to Didsbury in 1896. He is survived by two sons, Herb of Edmonton and Gordon of Red Deer; two daughters, Mrs. R. Budson, Crossfield, and Mrs. L. Poy, High River; one sister, Anne Stauder, in Ontario, and three brothers, Frank and Henry, Kitchener, Ontario, and Dave of Acme.

Funeral services were conducted from the United Missionary Church in Didsbury on Friday, May 14 at 2 p.m. with Rev. A. Frey officiating. Burial followed in the Didsbury cemetery with Didsbury Funeral Home in charge of arrangements.

Conservation Plan Long Term Policy

For the past ten years, those interested in conserving the forests in the provinces and in the Dominion have become increasingly alarmed over the denuding of the Canadian forests both by cutting and by fires.

One of the most concrete steps to date in the field of conservation was the formation some years ago of the Eastern Slope Conservation Board. This Board is supported by the Dominion government and the Alberta government and is charged with the protection of the watershed on the Eastern slopes of the Rocky Mountains.

The board was to set up and adopt a plan for conservation of timber on the Eastern slopes so as to protect the sources of the North and South Saskatchewan Rivers and the other smaller streams that are so important to the irrigation project planned for the great Pulliser tri-irrigation.

Activity of the Board has been intensified.

Last week a meeting of its members

TOM MORRIS ELECTED TRUSTEE BY ACCLAMATION

When nominations closed Tuesday, May 11, for school trustee to represent the Town of Didsbury in Division 6 of the City School Division, there was only one candidate named, Thomas Morris, and returning officer S.J. Gilson declared him elected by acclamation.

Since Didsbury School is now in the Olds School Division No. 31 the old school board will be disbanded and will be represented by the Divisional Board by Mr. Morris.

Council To Cope With Washouts

All Councillors were present at the regular meeting of the Municipal District of Mountain View, No. 48 held in Didsbury on May 10 and a report from the Board of Review of the Farmers' Creditors Arrangements Act stated that taxes owing to the Municipal District will not be affected in any manner.

The Department approved one old and one new application and Council granted approval to two new old and one new application.

A complaint was made that the Hurstville Colony near Didsbury was dumping manure in the Rosebud Creek contrary to regulations and Dr. Alan of the Federal Health Unit investigated and ordered removal of the manure within three weeks time when final inspection will be made.

Purchase of two new 6-7/2 yard LeTourneau Scrapers was authorized as additional road equipment.

Council approved a travelling project on the Township line between Twp. 30 and 31, Range 28 and the secretary was instructed to make application to the Department of Public Works for a grant on the one-third basis.

Agreements were made to install a small fuel oil storage tank at Crossfield to supply the municipal motor grader.

Owing to extensive weed control inspection, Council decided to put on an additional weed inspector for the summer months and the appointment will be made later.

A quantity of 24-0 was ordered for spraying of weeds on road allowances and Sodium Chloride will be on hand and available to farmers for weed control.

The present washouts of roads and culverts was thoroughly discussed and arrangements are being made to cope with the situation as quickly as possible.

The next meeting of the Council will be held on Monday, June 7.

was held in Calgary and a number of people were present. Olds was on hand to present a plan for a road west from Sundre as well as to listen in on the deliberations of the body. As a result of this meeting two survey crews are now at work in the foothills country west of Calgary but their exact location is not known.

The purpose of the survey is to mark roads over which equipment could be sent when built in order to speed fire fighting facilities. The road would be a combination of an ideal and logical one for this purpose and would in addition open up a new country for the tourist.

The likelihood of this road has both Olds and Sundre vitally interested in the project. The road would be a combination of an ideal and logical one for this purpose and would in addition open up a new country for the tourist.

The purpose of the board is to correct these wrongs. All work will be carried out by the province under the supervision of the Board. The cutting of timber within the forest reserves will be based on a sustained yield basis and will be confined to mature and over-mature forests.

Roads will be built as the need arises and the funds for this will be available. The results of the work of the Board will not immediately be evident but a quarter of a century from now the results will be obvious.

The plan being worked out on the Eastern slopes of the Rockies here is the object of wide attention and could become the working model of conservation for the continent.

Every effort will be put forth both by the people of Olds and Sundre and the local district to help extend the present road west into the details of a plan to build a road into the Mountains are known.

In spite of the threatening sky's deplorable roads and cold north wind there was a good crowd at Mr. C. Heble's Auction Sale on Friday last. Tractors were stationed at the bad mud holes to pull cars through the mud. There were many people who were much in evidence. The W. A. Ladies did a brisk trade with hats, shoes, but only one pair of shoes and one pair of socks etc. and many other things that they had. Mr. and Mrs. Heble are still in residence and so are the new Mrs. M. and Mrs. Stockburger and family who came out on Saturday evening.

Funeral Thursday For Claus Reese

After a lengthy illness death came to Claus Reese on May 11.

Deceased was born at Red Wing, Minn., son of John Reese and his wife Katherine Precht, on August 20, 1874. In 1907 he was united in the bonds of holy matrimony with Mary Gosen, at Euclid, Minn. After living at Euclid for two years the family moved to St. Vincent, Minn., and thence to Caribou, Minn. In 1918 the family moved to Lake Lenore, Sask. and three years ago they came to the Didsbury district. Here the deceased and his wife resided with their oldest son, John. The family was blessed with eight children, three of these having predeceased their father.

Since coming to the Didsbury district Mr. Reese has been a member of Redeemer Lutheran Church. Last summer Mr. and Mrs. Reese celebrated their golden wedding anniversary at a gathering of many friends.

The deceased leaves to mourn his loss his widow, Mary; five sons, John, Karl, Fred, Raymond, all of Didsbury, and Nelson of Lake Lenore, Sask.; 16 grandchildren, and a host of friends.

Burial services were held from the Redeemer Lutheran Church, Didsbury, on Thursday, May 13, with Pastor E.B. Fox officiating, and interment followed in the Didsbury cemetery.

Obituary

The west lost a much loved friend in the death of Mrs. Hermine Ronquist, wife of P. O. Ronquist, of Water Valley in her 72 year in the Holy Cross Hospital in Calgary on May 10.

She was born on January 30, 1876 at Peoria, Illinois. In 1896 she was united in marriage to Mr. and Mrs. Ronquist of Bollna, Sweden in the Lutheran Church in Peoria.

She was the daughter of Mr. and Mrs. Fred Stegens who came from Germany to settle in the United States in those early years.

In the spring of 1907, Mr. and Mrs. Ronquist moved to Belfield in North Dakota to farm. In 1911 they moved to Lake Isle west of Edmonton in Canada.

In 1917 they moved to Vancouver, B. C. where they lived until 1932 when they returned to Alberta to reside at Water Valley west of Carstairs where they have resided since. A son, Albert, predeceased her at the age of 25 in 1931 at Vancouver, B.C.

She leaves to mourn her loss, her husband, Per Olof Ronquist, at Water Valley; three sons, Fred Ronquist of Olds, Elmer Ronquist of Water Valley and Roy Ronquist of Vancouver, B.C. and four daughters, Mrs. T. E. Lateck of Water Valley, Mrs. M. Jason Herron of Water Valley, Mrs. Michael Lawrence of Water Valley and Mrs. J. Tilley of Ennis, Ontario.

Fifteen grandchildren and one brother, William Stegens of Peoria, Illinois also survive.

Rev. G.E. Morstad of the Lutheran Church held funeral services at the Carstairs United Church at 2:30 on Thursday, May 13, 1948.

The funeral hymns were "What a Friend We Have in Jesus" and "Auld Wail Me."

The pallbearers were: Ben Burton, John Lee, Harold Tunnachill, Fred Wunduland, Foster Bowell and Jack Statham.

Mr. William Schultz drew a new car for the pallbearers.

Jacques Funeral Home was in charge of the arrangements.

Interment was in the Carstairs Cemetery.

A. F. U. NOTES

The Rugby A.F.U. held its regular meeting at the home of P. Hosenood on April 21. A letter from head office was read using all livestock producers to complete their bill of lading and see that their livestock is delivered where designated.

At some points livestock being direct to packers has caused a decline in competitive bidding.

The following resolution was passed:

Whereas the price of fuel oil and gas has increased and has increased approximately 50 per cent the past year, and

Whereas one or two oil companies have control and do as they please,

Therefore, be it resolved that this A.F.U. Local 625 demand that the Provincial Government in co-operation with the Federal Government set the price of fuel oil down to a level more in line with farm prices, and that consideration be given to the restriction of fuel oil for heating purposes.

The next meeting will be held at O. Thompsons on June 9.

CREMONA

(Week of May 10)
The mail delivery was beginning to be quite a problem until a number of men from Cremona took a truck and went to meet the mail coming from Carleton Place. The mail was carried in one truck through the big mud hole near Harvey's place. A few supplies for the store were brought out, too. On arriving in Cremona the mail was loaded into a wagon and taken up the road to the post office.
The road by Lee Bouk's place is worse.
The bridge over a creek that runs through Backston's land crumbled away just after David Backston had ridden over it on horseback.
The culvert in the west part of town near Rev. Dyck's house is completely washed out. It has been repaired by placing fallen trees in the gap.
The train was a very welcome sight on May 7. This train brought out many supplies for the stores. It took back cattle and pigs. Tommy Thompson received a car of oil.
The stock yards have received a coat of paint.
The Don Dumphy sale was well attended last week. The Dumphys are moving to Calgary.
Denny Brown had a very painful injury after he fell and ran a piece of glass into his hand. It took Dr. Epp an hour to remove the glass splinters.
Stanley Shultz is now at home after spending a vacation in British Columbia.
Word was received by the principal of the Cremona school that the local seat of learning had won first prize for improving the school grounds. This applies to school number three.
Bess Walker to Mrs. Latt who is now in the Calgary hospital.
The Loeven baby is now at home after spending six days in the Didsbury hospital.
Bill Tipton is living above his cat now. Mr. and Mrs. Johnny Tipton and Orville have moved into Bob Simpson's house. This is better, the trailer house he constructed. Adam Leunewer and family are to live in the house. Tiptons formerly occupied.
The boys and girls of the district have been holding summer parties but the down pour of rain Friday made them postpone one.
The Ladies' Aid held its meeting on May 5 at the home of Mrs. V. Reid. It was decided to hold a tea and home baking sale on May 14 at Waterstreet's clothing store.
Congratulations to Mr. and Mrs.

WESTERDALE

Mail practices commenced Sunday afternoon.
Mr. B. Parkes accompanied Mr. and Mrs. W. Herbert on a motor trip to Calgary last Friday.
Mr. W. Herbert is having a well drilled near his house.
Mr. A. Buckley was out dragging one reads last Wednesday afternoon with his new Massey Harris tractor.
Mrs. L. Jones was a week end visitor in Calgary recently.

Mr. and Mrs. Charlie Stockinger and family left Saturday for the Hartman district to take up residence on the farm they recently purchased from Mr. and Mrs. Herbig.

Gordon Reid on the birth of a son, John Butler, on April 30.

Mrs. Waterstreet has had the inside of the Clothing store remodelled. There is now more room and a new horse-shoe counter.

The bridge by the Garfield store is now out.

Week of May 17:
Timbers for a new sidewalk to go past Waterstreet's store and on up to the post office have arrived.

With all the water going down the ditches a part of the walk near the Cremona Cafe has caved in.

Mr. and Mrs. Tommy Thompson and Lena visited at the Jack Rattray home Sunday evening.

Mr. and Mrs. Sanderman are visiting in the district.

Mrs. Matt Hewitt attended the christening of her only grandchild, sister in Castairs on Sunday.

Rev. Pibus held church services at the United church on Sunday for the first time since the beginning of April.

Mrs. George Camps was rushed to a Didsbury doctor late Thursday night to have a crocheted hook removed from her finger.

The flu is still prevalent in the district with many people in bed due to its effects. Geo. Parkhurst is ill with tonsillitis.

A very successful tea and home cooking sale, sponsored by the ladies aid, was held in Waterstreet's store on Friday.

The Feedlites have a new Chrysler.

The floor on the Cremona hall has been repainted and waxed and it is hoped this hall will be ready for the dance on May 24.

Rev. and Mrs. Dyck, Twyla and Erwood, moved to their new home at Elkton on Friday.

WEEDS GO... CROPS GROW!

Liquid De-Weed

The Newest Aid For the Farmer

Liquid De-Weed (Isopropyl Ester type of 2,4-D) acts fast to destroy weeds in grain crops—either washed off by rain—goes into solution easily. It is most economical and effective over the widest range of conditions. Increases your crop by using Liquid De-Weed.

Mr. J. Robertson reports that the date of the W.I. conference to be held in Didsbury has been set for June 14. A meeting of the executive committee will be held Saturday, May 22 at the home of Mrs. Kettel to make all arrangements.

Mr. and Mrs. Gordon Befus and Mr. Ed Befus spent Sunday in Calgary visiting with Mr. and Mrs. J. Befus and their little daughter. Mr. Befus is a missionary in South America and is on holiday.

Quite a number turned out Sunday afternoon to the first ball practice of the season, held on the ball diamond at Glen Evans.

Mr. and Mrs. Arnold Home visited the latter's parents west of Cremona on Sunday.

The river is still quite high and the Maylor children have been staying with Mr. and Mrs. O. Blain.

The school van has run quite regularly, but just from the place formerly occupied by J. Ray, the children from the north side being to walk to it on account of the bad roads and washed out culverts.

The Elkton Willing Workers met at the home of Mrs. R. Befus on Thursday last when quilting was the order of the day. It was decided to purchase more quilt patches and conclude making these. The bayette to be given locally is almost completed. Please note that the next meeting will be held at the home of Mrs. H. Erickson on Wednesday, instead of Thursday, June 9.

Mrs. Gillies, Mrs. H. Papke and Mrs. Lue Papke were Calgary visitors last Thursday. The latter two returning Saturday.

Mrs. Howard Str. and Mr. and Mrs. P. Hoesgood attended the funeral of Mr. Woolmay in Red Deer last Friday.

Miss Rita Wilson spent a couple of days with her sister, Mrs. Arnold Hoes, last week and is now visiting with her parents west of Cremona.

DIDSBURY HOSPITAL BIRTHS
Born at the Didsbury hospital to Mr. and Mrs. Harold Russell on Friday, May 14, a son.

To Mr. and Mrs. Trysylvia Hogg of Bergen on Sunday, May 16, a son.

Mr. and Mrs. K. Barnard Dwight and Mrs. H. Barnard were dinner guests with Mr. and Mrs. P. Hoesgood, and Mr. and Mrs. A. H. Hogg were supper guests at the same home on Sunday.

Mr. and Mrs. O. Blain escaped serious injuries Sunday when their tractor overturned in the ditch just east of Hoesgood.

SYMBOLS OF SAFETY

With icy roads, wet roads, slippery conditions — tire chains become a welcome symbol of safety. Yet even with chains, there are times when it's better not to travel. By providing modern, complete business services throughout the province, Treasury Branches have cut down unnecessary trips.

IT'S A GOOD IDEA TO SAVE FUEL!

On a cream and poultry diet, may be called with ease at your local Treasury Branch. Service is fast and courteous at the symbol of safety.

MELVIN NOTES

Walter Young left last week for Edmonton where he has resumed his position with the survey gang that he worked for last summer. Clara Young has been visiting at his home the past two weeks following completion of his university course. On Saturday he left for Edmonton for graduation exercises. His parents, Mr. and Mrs. G. A. Young, will attend convocation exercises in Edmonton Tuesday and Wednesday.

Four years ago Clara Young won an I.O.D.E. scholarship to the University of Alberta and has since passed with first class standing each year. He has now obtained his B. Sc. in chemical engineering and has accepted a position in Saskatoon. August Krebs has been a patient in the hospital for several days suffering from pneumonia.

The Didsbury Lions Club has selected a Melvin girl, Miss Olga Dupont, as a candidate for the Calgary Stampede Queen. Every ticket bought entitles you to a chance on three large cash prizes, and funds raised go to the Lions Club and the Calgary Travellers' Club.

Gravel trucks have been active west of town and many mud holes and culverts have been repaired, so travel will soon become normal. We do hope something will be done about the bridge over the Dog Pound at the Melvin school as traffic still crosses the approach on planks. This bridge is on the main route of the school van and the milk truck.

Eddy Polack was fortunate in escaping more serious injury when the tractor he was using to pull a truck through a mud hole the day of Herbie's sale got stuck in the mud and back. Fred Wright got on to drive and Eddy got off to push. When the truck was pushed in the tractor rolled back down on Eddy's legs, bearing much of the weight of it. Fred Wright moved the rear and the tractor moved forward so that Eddy was able to get away. His limbs were very sore and painful the day of the sale so he was taken to the Ochs hospital but there were no bones broken.

Around the Country

WESTCOTT NEWS NOTES

Believe it or not? Mr. V. Christensen was still plowing snow with the bulldozer for the Municipality on one of the roads just west of Didsbury on May 12th.

Miss Dorothy Schneidmiller of Calgary spent a week end with her cousin, Esther Schneidmiller. A few farmers have been spring work in this district but most fields are still quite wet. However, with continuing drying winds and sunshine the work on the land will be general by the week end.

H. Goetjen finished his combining on Monday and reported the wheat harvested but otherwise in good condition.

Mrs. Lyle Good of the Garfield district is quite ill in the Didsbury hospital.

Neil Folkman spent Sunday with Duane Jacobson.

The children from east of the school, the Dargatzis girls and Marjorie Holmquist, have a good foot bath on their way to and from school every day as the Reinhardt lake on the Westcott road is over the road and at one time last week the water was too deep for little Ruby Dargatzis to carry her sister.

Parents and children alike have anxious days wondering about the road conditions this spring but conditions are improving and we hope all will be well soon.

Mrs. L. H. Hildebrand spent the week end in Edmonton.

MOUNTAIN VIEW NOTES

Mrs. George Neufeld was rushed to the hospital by ambulance on Saturday suffering from pneumonia. All friends and neighbors in the district wish her a speedy recovery.

Mr. and Mrs. J. Brander and Sheila of Langdon were Sunday visitors at the W. Bruce home.

George Warkentin of Drumheller spent Monday night at the W. Shultz home visiting his son, Jack Warkentin.

Mrs. C. Reimer and Gene were Thursday visitors with the W. Shultz family.

The sympathy of the district goes out to Fred Rongstad on the passing of his mother whose funeral was held in Carstairs Thursday.

Mr. and Mrs. J. Winterbottom and daughter, Linda, were visiting with Mr. and Mrs. H. Shultz and family last Thursday.

Mr. and Mrs. H. P. Shultz and family were in Aene Sunday visiting with the latter's brother and her parents.

Mr. W. Bruce had a little accident Monday which necessitated part of one of his fingers being amputated. He spent a few days in the hospital as a precaution against infection.

Mr. and Mrs. Otto Bittner spent Monday in Calgary.

Mr. and Mrs. Dwayne Fokes have recently had a telephone installed on line 21.

NOTES FROM THE EAST

The Lone Pine W.I. postponed its meeting last Wednesday, and it will now be held on Thursday, May 20, at the home of Miss Owen Holmes.

All ladies are welcome and roll call will be to tell of some interesting incident on "when my mother was a girl."

The Burnside school pupils will hold a bazaar and talking motion picture at the Lone Pine hall on Friday evening, June 4. Proceeds of the bazaar will be for the Junior Red Cross Crippled Children's hospital. This is a very worthy cause and a good turn out will be appreciated.

Mrs. Altha Topley and daughter Dorothy were Friday evening supper guests at the B. Shells home on the occasion of Linda's birthday.

Sunday evening Mr. and Mrs. B. Shells and family were supper guests with Mr. and Mrs. Harold Shells.

Mr. and Mrs. Harold Shells are moving Monday to the farm formerly occupied by the Otto Bittner family. Harold has purchased the farm from Mr. Bittner.

Mr. and Mrs. Russell Stanley of Ochs, together with Cecil Winter, Ruby Arnold and Johnny Hoyer, were Sunday dinner guests with the W. Coates family.

Mrs. D. B. Wood is gradually improving in health but she is still not well enough to be out of bed and around.

Billy Coates has been making the rounds cleaning grain in the Burnside and Jutland districts this week. Also some of the farmerettes have started seeding their gardens.

Mrs. Chas. Mardon was admitted to the Holy Cross hospital in Calgary last week end in preparation for an operation which she underwent on Saturday. Charles Junior told your reporter that he received word that his mother came through the operation all right and was doing as well as could be expected.

A few farmers have started on the land but find the soil very soft and have to watch the low places or their tractors will sink out of sight.

WILL EXTEND PROGRAM TO CENTRE-LINE ROADS

Centre lining of main highways in Alberta will be continued this year. The scheme was carried on extensively last year and was found to give great satisfaction while also providing greater safety, a step highly commended by officials of the Alberta Motor Association.

Use of a centre line also has had the effect of reducing the number of night time accidents, it is claimed. The luminous line stands out prominently and is easily observed, enabling traffic to keep to its right side and reduce the hazards of night driving.

When the going is tough, Good Year Sure-Grips will get you through!

With Good Year Sure-Grips you get super traction... do more work faster... even in the toughest going. The open center tread is self-cleaning and long-wearing... it has been proved again and again by practical farmers. See us about Good Year Sure-Grips right away!
